UNDER THE SEA - EXCURSIONS

The Mamanuca Islands are surrounded by a stunning marine environment, blessed with fabulous warm water, colourful corals, and an abundance of sea life.

We provide a personalised service to help you experience and connect with the magical world below the surface.

1 GIVE IT A GO!

Ever thought about what it is like to breath underwater?

Check with the team for the next available "Give it a go!" session, held either in the pool or on the beach at high tide. This is the perfect stress-free opportunity to try it for yourself for a few minutes with an experienced instructor.

Complimentary

2 INTRODUCTORY DIVE

A real dive, no qualification needed, one on one, or one on two with a qualified instructor. You will be briefed on the basic theory of diving and then the instructor will accompany you on a shallow dive off the beach. The purpose of the introductory dive is to give you a safe personal experience within your comfort level.

\$250pp

Child options available

3 OPEN WATER CERTIFICATION

Bitten by the diving bug? Get personally qualified to confidently dive anywhere in the world! Hit the books and hit the water with a splash. Theory, pool sessions, and 4 ocean dives over the course of a few days.

Private instruction \$1700, or \$1350pp for two people or more

Child options available

UNDER THE SEA - SCUBA TRAINING

Ever dream of stepping into another world? We would love to assist with expanding your skill set.

We offer a personal approach to scuba training with private instructor access for Six Senses guests.

4 ADVANCED COURSES

Advanced and specialty dive courses can be customized to your personal requirements and are available upon request.

UNDER THE SEA - CONSERVATION AND ECOLOGY

Established in 2015, the Coral Reef Project's mission is to grow and care for the coral reefs in the local area. The project is jointly run by Vunabaka, Six Senses and Hauraki Adventures. Regular snorkeling trips are made to replant and maintain the health of the coral in the area and a beautiful nursery can be found just off the beach.

Guests are welcome to join the project and get hands on with the conservation work that is taking place here at Six Senses. Help give back to the planet!

1 REEF CONSERVATION SNORKEL AND DIVES

Are you an experienced snorkeler or diver and want to participate, learn and have a great experience?

Activities vary depending on requirements and can include cleaning algae off the lines, checking and transplanting nursery coral, or recording species size and location for data analysis.

A cost of \$220pp is charged for diving, or \$90pp for snorkeling for a minimum of two people. This includes a 10% donation to the Coral Reef Project.

2 CONSERVATION AND ECOLOGY SEMINARS

Keep an eye out for the conservation and ecology seminars. Usually held in the evening once or twice a week, these will provide you with a wealth of knowledge about ocean conservation, our house reef project and the global marine environment.

Complementary

The boy on the far right is wearing blue and white patterned swim trunks. The background is a lush green landscape with trees and foliage.

VILLAGE VISITS

Fijians are some of the friendliest people on the planet and our local village of Solevu is no exception!

They would love to meet you, so pay them a visit.

It is an honour to be invited into the village and as such we should be sensitive to and respectful of the local culture and traditions.

1 VILLAGE VISIT

Get in touch with the surrounding culture and immerse yourself in the local traditions, activities and beauty that make up this wonderful country by visiting the local village of the island. Including a traditional kava sevusevu.

Open group visits \$80 pp (min 2 people) - Private charters from \$430

2 SCHOOL VISIT

Meet the generation of the future and interact with the local children. Even take part in one of the school quizzes to show you know your stuff. Feel free to bring excess school supplies to help the school keep up their growing need for children's materials.

3 CHURCH VISIT

Take part in a weekly 10:00am Sunday church service at the village. Immerse yourself in song and tradition amongst the friendly hospitality of the local people.

SMALL ADVENTURERS

We love encouraging children of all ages to get adventurous with watersports and have a number of activities that are ideal for kids according to their age, confidence and ability. Many of our excursions are family friendly so you can accompany your little ones on their adventure and have fun together in or on the ocean.

1 SOMETHING LITTLE

Various activities are organised on a daily basis, including fish feeding, kid's 'give it a go!' scuba and supervised kayaking. Enquire at the Beach Hut to find out what is happening each day.
